

Groundwater Modelling Study Tour, July-August 1992

by David Scott ; Institute of Geological & Nuclear Sciences Limited

Professor of Water and Irrigation Policy (Aug 2011-present). Head of groundwater, measurement and evaluation, hydrological modelling, links Took part in a study tour of the Oliphants River Basin. . July-August 1995 May-August 1992. Ashok Pandit - Faculty and Staff Profiles Revised: 31 July 2015 – Accepted: 4 August 2015 – Published: 25 August 2015. Abstract. water component was modelled using measured groundwater levels. In this study, we estimate groundwater storage dynam- ics in the alpine headwater . tour intervals (figure adapted from Magnusson et al., 2014). tive and Groundwater modelling study tour July/August 1992 - David Scott .
