

# Recent Advances In Group Theory And Their Application To Spectroscopy: Proceedings

by NATO Advanced Study Institute on Recent Advances in Group Theory and Their Application to Spectroscopy (; John C Donini

Recent advances in group theory and their application to . Conference title: NATO Advanced Study Institute on Recent Advances in Group Theory and Their Application to Spectroscopy Location: Antigonish, Canada Recent Advances in Group Theory and Their Application to . Full Title: Recent Advances In Group Theory And Their Application To Spectroscopy: Proceedings Author/Editor(s): NATO Advanced Study Institute on Recent . Recent advances in group theory and their application to . Results 1 - 10 . Recent advances in group theory and their application to spectroscopy : [proceedings]. by John C Donini;. Print book : Conference publication Oct 19, 2004 . Recent advances in group theory and their application to spectroscopy. by John C. Donini, ed., nato advanced study institute series, vol. b43.
