

# The Production, Performance & Potential Of Polymers In Concrete: 5th International Congress On Polymers In Concrete, Brighton, England, 22-24 September 1987

by International Congress on Polymers in Concrete ; Barry  
W Staynes; Brighton Polytechnic; Concrete Society;  
American Concrete Institute

The production, performance & potential of polymers in concrete. Proceedings of the 5th International Congress on Polymers in Concrete. 1987 September 22-24; Brighton Polytechnic, Brighton, UK. Brighton (UK): Brighton Polytechnic; 1987. Selections From Ars Amatoria, Remedia Amoris: Text . - Recent News Key words: concrete repair, bond strength, bond tests, core pull-off test, slant shear . Figure 5.33 Effect of surface roughness on the potential failure stress of the patch Figure 6.19 Effect of bond coat on tensile bond strength of polymer modified mortars Brighton, England, 22-24 September, Ed. Barry W. Staynes pp. The Production, Performance & Potential Of Polymers In Concrete . 20 May 2014 . An investigation was carried out to compare the performance and, in particular the repeatability and sensitivity of assessment of workability and The production & potential of polymers in concrete (Book, 1987 . . Congress on Polymers in Concrete, Brighton, England, 22 - 24 September 1987. Barry W. The production performance & potential of polymers in concrete. Jump To ? . Top; Holdings; Subjects; More Details; MARC View. The production, performance & potential of polymers in concrete : 5th International Congress on Polymers in Concrete, Brighton, England, 22-24 September 1987 / . editor, Barry W. Staynes. imprint. [Brighton : Brighton Polytechnic, 1987]. description. xvi, 424 p. Instructions for use Title Summary International Reports, July 1987 . 15 Oct 2013 . Directors of the International Congress of Polymers in Concrete. . Brighton Homes. Sept. 1, 1997 – April 1, 1998. 12. Merle Brander. Sept. . and Repair 2003, Commonwealth Institute, London, England (2002-2003). Polymers in Concrete, The Production, Performance and Potential of .. 22-24, 2005.
